LIFE

IS

YOU

MAKE

IT

Right—Ron Sensky eagerly strives for an extra point.

Bottom—Students await the bus that will take them home.

Basketball team members huddle to find the next play.

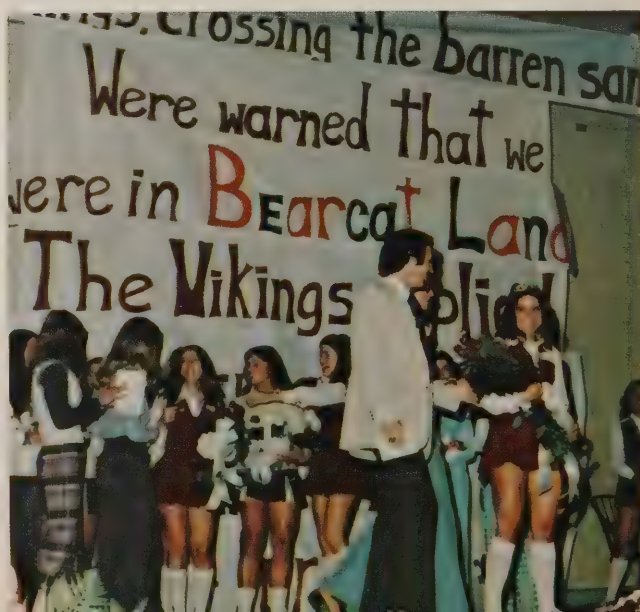

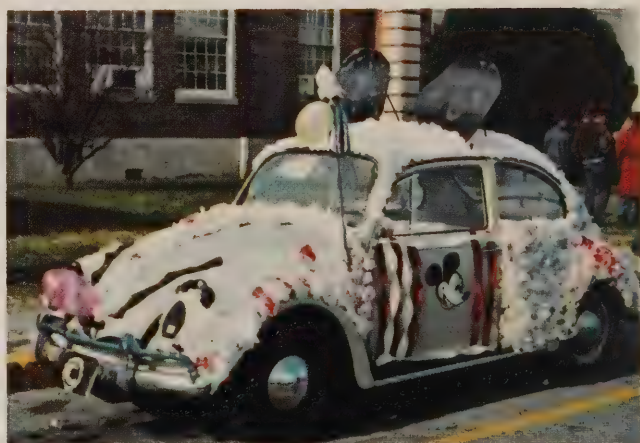

A taffy pull is a very sticky situation!

Coach Stafford relaxes by the side of the basketball court.

V-T WEEK

V-T Week ... colors ... sounds ... Mickey Mouse ...
Donald Duck ... Togetherness

A week of the Wonderful World of Disney set the pace of the mighty Vikings. Such familiar faces as Snow White, Dumbo, Mary Poppins, Balou the Bear, Donald Duck and Mickey Mouse animated the Maroon Machine into action. Spirits soared and together were defeated our crosstown rival Virginia High.

WHY SHOULD WE
BE IN SUCH DESPERATE
HASTE TO SUCCEED?
AND IN SUCH DESPERATE
ENTERPRISES? IF A MAN
DOES NOT KEEP PACE
WITH HIS COMPANIONS,
PERHAPS IT IS BECAUSE
HE HEARS A DIFFERENT
DRUMMER. LET HIM STEP
TO THE MUSIC WHICH
HE HEARS HOWEVER
MEASURED OR FAR
AWAY.

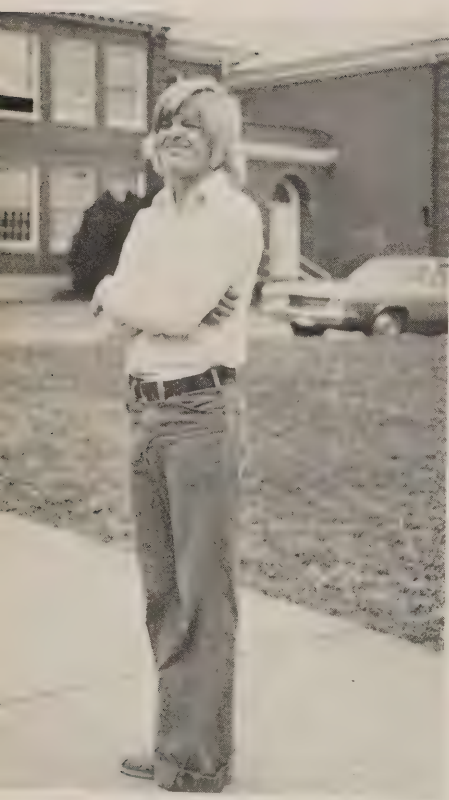

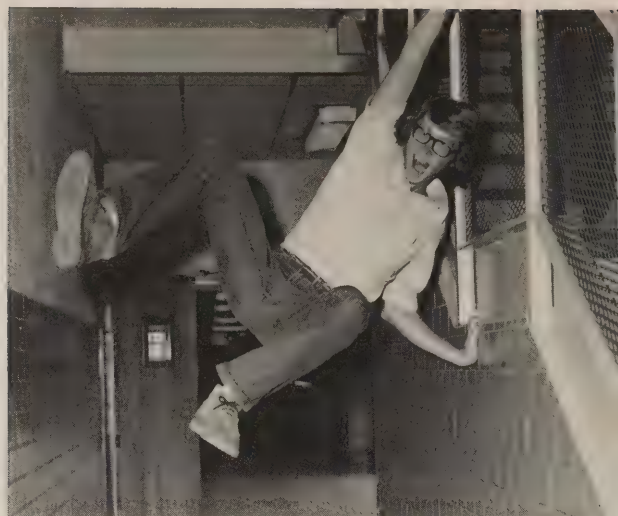

HENRY DAVID THOREAU

Opposite page-top—Barbara and Phil enjoy themselves at the prom; Bottom—Lewis Privon spends some time studying his lessons. This page-top—cheerleaders lead student body in cheers during sendoff for football team; Far right—Students wait for their parents to pick them up from school; Above—Rusty Webb demonstrates how to throw a snowball.

EXPRESSIONS OF LIFE

From top clockwise—Tom Glasgow jumps for joy when he learns that he has passed all subjects this semester; Ron, Matt, and Tommy show disgust as they have to wait for the football bus to leave; Gus Osborne is surprised at Kim Buckingham's marching techniques; Two all-beef patties, special sauce, lettuce. . .onions. . .oh, darn!

Clockwise from top: Ben Smith relaxes after taking his physics test; Phil Glispie's ready to fight; Curtis Morrell discusses his grades with a friend; Gerry Bassett informs Roger Layman that his feet should be 45 degrees apart.

Teacher's meeting are the scene of challenge and motivation.

Coach Rutherford enthusiastically views students in the boy's gym.

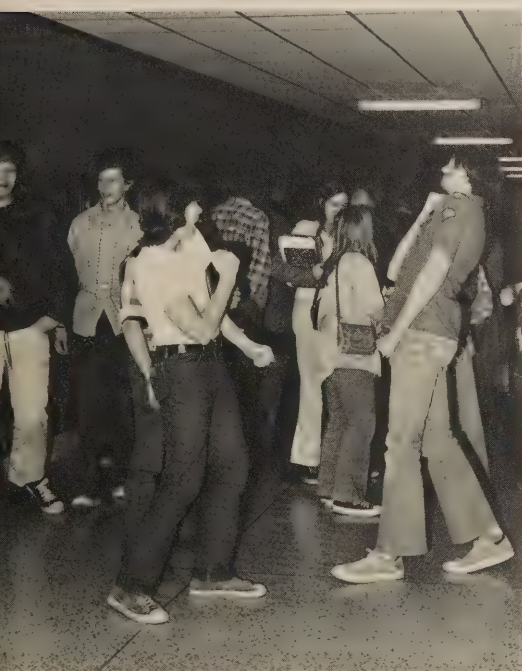

Robert Banks discusses "I'm Okay, You're Okay Week."

Steve and Julie pay Miss Cuthill a visit.

IT'S BEEN
ONE OF
THOSE DAYS

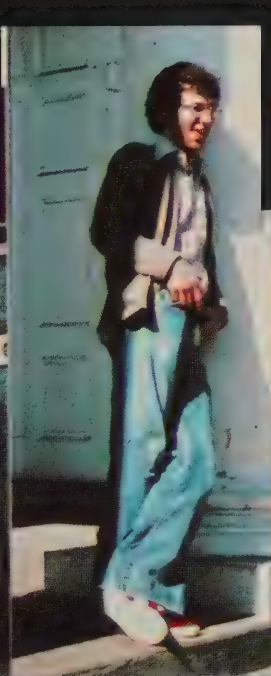

Do you want to rumble?

Mrs. Pinkston can't believe that it's true.

STUDENTS
WORKING

AND
PLAYING

I'M OKAY, YOU'RE OKAY WEEK

During the week of February 10 through the 14, the Student Council, in cooperation with the Southern Guidance Departments, launched "I'm Okay, You're Okay Week." The entire week was devoted to being considerate of others and accepting them as they are. At the end of a two-act play presented by Student Council members, IALAC (I Am Likable And Capable) tags were given to the students. By tearing off a piece of these tags, the students illustrated that they sometimes say and do things unnecessarily hurt others.

Amy, Robert, and Steve hear it like it is.

Missy shouts her disapproval of students who concern themselves with their own personal problems.

Each Gibson exhibits the art of carving a turkey for Jeff Trivette.

Robert Duff knows his sauted onions are coming along beautifully.

CAN BACHELORS SURVIVE?

Ronnie Pickle is a "Happy Home-maker."

Paul Miller shows Mike Tester how easy cooking really is.

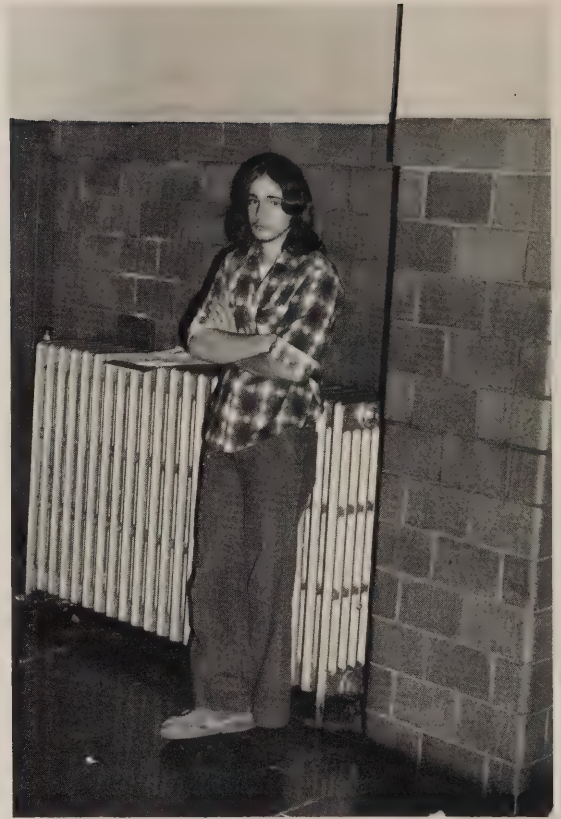

The finished product.

LIFE AT THS

THS students are on the long road to class.

THS student ready for action.

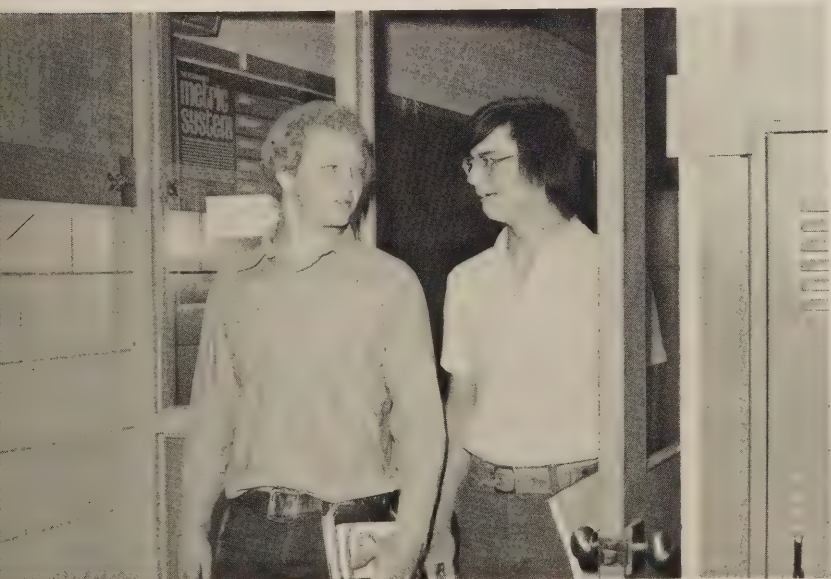

It's three-thirty, and we're free at last!

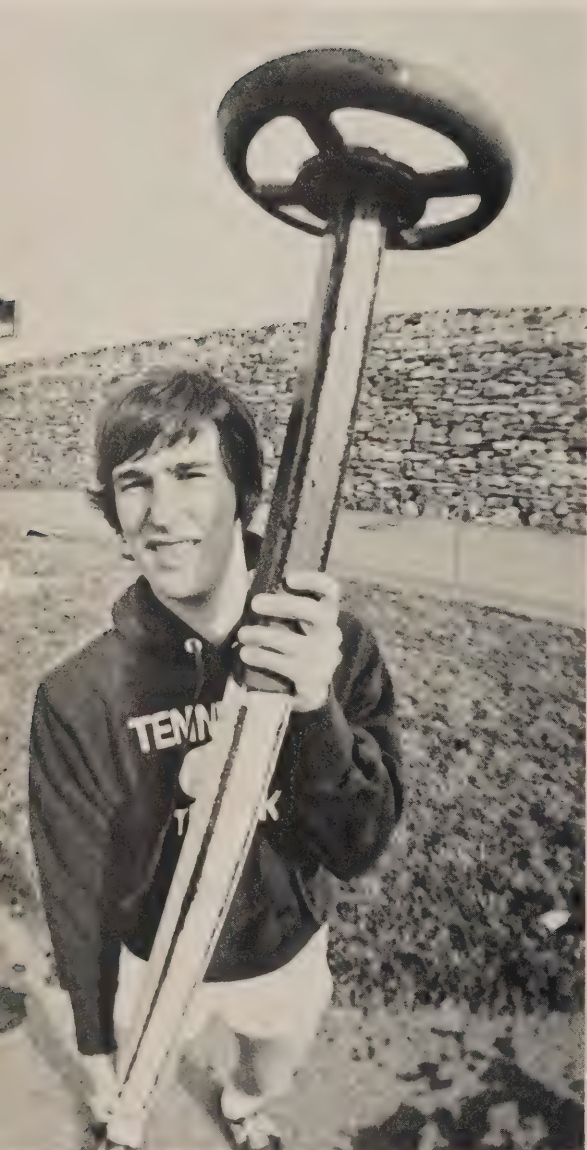

Cheryl Jeter puts on a brave smile.

Ve're ready to begene da exshperiment.

Ray and Scott look like the test didn't go so well.

"It's not that heavy."

"Now the accident happened on this corner...."

Intent on the subject.

"I hope the sun shines so I can play tennis this afternoon."

Here comes the stampede.

"Little Ruff-Tuff" Rowell Prepares to make a ADMEA Picture.

They are off and running at the track!

Top left—"Who is that cute boy, Amy?"

Top right—Hard working librarians.

Bottom—"But I don't have enough money for a coke, Coach Zeiger."

Top left—"We've got spring fever."

Top right—"Have you tried this new dance step?"

Bottom left—"Where's the chocolate chips?"

Bottom right—"Two of a kind."

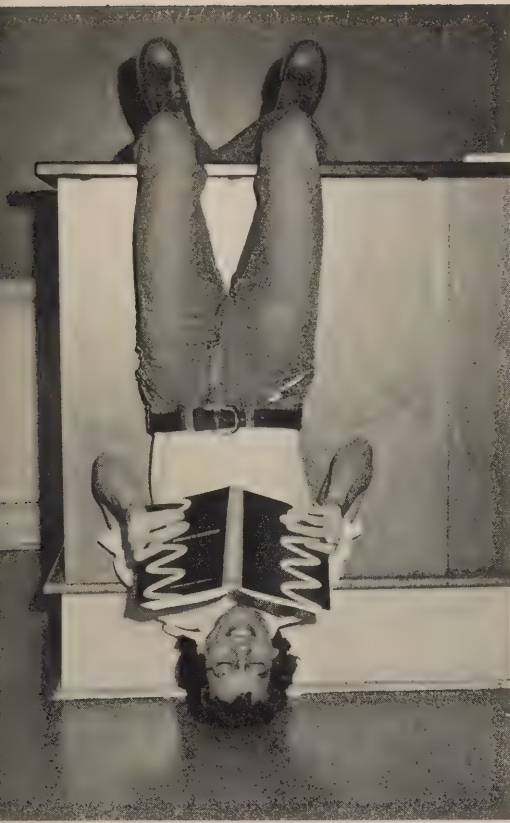

A perfect way to begin the morning.

"But the water's cold!"

HUMOR— A WAY OF LIFE

"Odd? I always study this way!"

"Move! I can't see."

"Look Ma, no hands!"

"Being beautiful is not easy."

Opposite page—bottom—"I'll have one of each!"

EVERYDAY HAPPENINGS

Throw it home, Olan!

"I can't remember my home phone number."

"And last night after we left the Pizza Hut."

"What a mess!"

"When will we get to go home?"

"Stand back, it may explode!"

"Have you seen Karen?"

AFS EXCHANGE STUDENT

Lin Croxford arrived from Johannesburg, South Africa, on July 3. Lin was brought to Tenn. High by the AFS Club in Bristol. She is 18 years old and a senior. Lin is Tenn. High's second foreign exchange student, and is currently living with the Ed Loud family.

At her school in Johannesburg, Lin was class captain for 3 years, hockey captain, tennis vice-captain, an AFS member, a Drama Club member, and in the Choir. She is a member of the Anchor Club and AFS club here at Tenn. High. Lin visits various civic clubs and organizations speaking about her home in South Africa.

On March 7-9, Lin helped host an AFS weekend. The weekend was held for 12 other AFS students from the surrounding schools. The weekend was highlighted by a banquet and dance on Friday night. On Saturday the students hiked on the Appalachian Trail, went bowling, and had a party at the Loud's home.

We hope that Lin has enjoyed her stay at Tenn. High as much as we have enjoyed having her.

Lin arrives from South Africa on July 3.

One of Lin's many introductions.

The AFS presented Lin Croxford with a quilt stitched by friends and members of AFS.

EACH DAY IS A NEW LIFE

EACH DAY IS A NEW LIFE.
IT BEGINS WITH THE MIRACLE
THAT THE SUN HAS RISEN
AGAIN, THAT YOUR ENERGY
IS RENEWED, THAT THE
NIGHT HAS PASSED, AND THAT
YOUR CHANCE TO LIVE HAS
COME AGAIN.

SEIZE IT. LIVE IT. FOR IN
TODAY ALREADY WALKS TOMORROW.
IF YOU WOULD LIVE A NEW
LIFE, DO THIS:

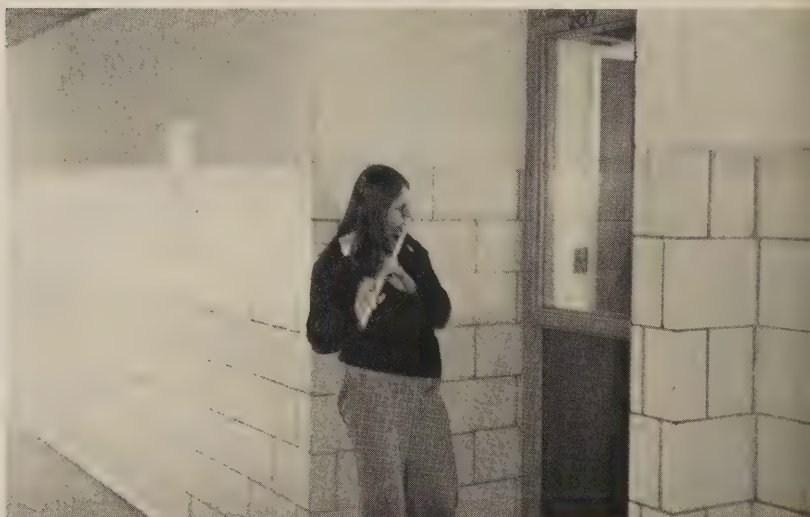

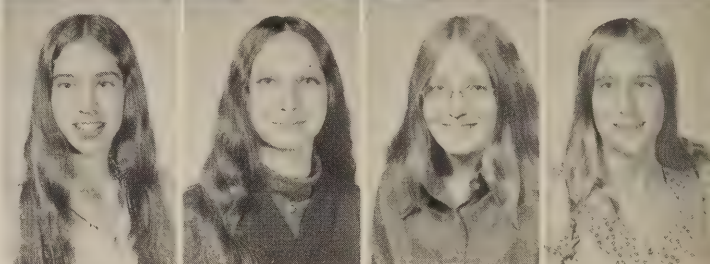

1. CAPTURE THE VISION OF A
NEW LIFE.
2. FORGET THE PAST. TAKE
ONLY WISDOM FROM IT.
3. SELECT A GOAL THAT WILL
BRING YOU A NEW AND A
MORE ABUNDANT LIFE.
4. RELATE EACH DAY TO YOUR
GOAL BY CREATIVE MEDITATION.
5. SEIZE THIS DAY. BEGIN NOW!

FACULTY

PRINCIPAL AND ASSISTANT PRINCIPALS

A man whose duties range from the making of executive decisions to stopping snowball fights is Mr. Hugh David, whose guidance and leadership make Tenn. High an outstanding school. He goes about his task successfully and efficiently with a quiet dignity.

Assisting Mr. David are Mr. Paul Odom, Mr. Jimmy Arnold, and Mr. Russell Basham. These men provide capable assistance in every area of work for the student body's benefit. The Cadmus Club would like to express its appreciation to these men.

SECRETARIES

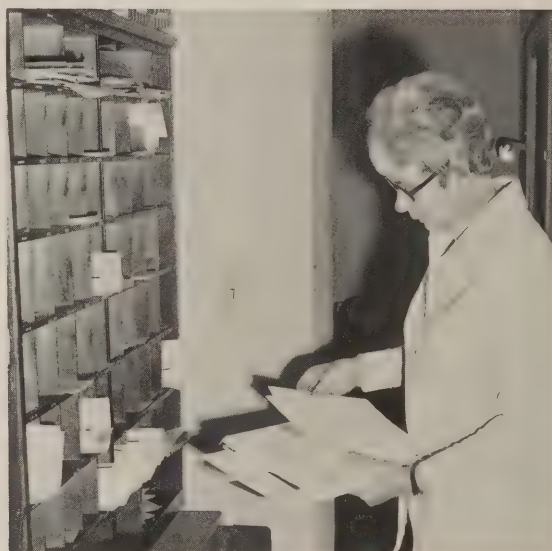

The secretaries at Tennessee High are very efficient and keep our school running in top-notch order. Many people do not realize the hard work that they do such as scheduling, guidance, and record problems—all these fall under the heading of the duties of a T.H.S. secretary.

MATH DEPARTMENT

At one time in his or her life, every student becomes involved with a course in math. Be it simple addition or complicated trigonometric functions, the study of mathematics is essential for work after high school. At Tenn. High, courses are offered in Algebra I, Algebra II, Geometry, Trigonometry, and Pre-Calculus. In dealing with five dollars or five thousand dollars, math provides a background basic to a well-rounded high school study.

BUSINESS DEPARTMENT

The economic society could not prosper without the business world, an area which affects every facet of life, at home as well as abroad. Without men and women who fully comprehend the money areas of the business world, other fields would slow to a grinding halt. Listed in this department are Typing, Shorthand, Bookkeeping, Business Math, Business English, and Distributive Education.

MUSIC DEPARTMENT

Tenn. High has an exceptional music department. The band—marching as well as playing—has earned a No. 1 rating in all competition, and was selected to march in an Atlanta Falcon pre-game show and Gov. Blanton's inaugural parade. The Choral Department toured various churches and civic organizations. The Chorus participated in a music festival at Milligan College, while the Concert Choir performed at Disney World and produced a musical comedy. The Viking Singers' float won first place in the annual Bristol Christmas Parade.

Mr. Mark Bays

Mr. George Wenger

Mr. Wenger directs his "Big Band."

SCIENCE DEPARTMENT

It has been said that science is knowledge, and indeed it is. General Science, Biology I, Chemistry, Biology II, and Physics, are the courses offered in this department at T. H. S. Each provides insight into the difficult problems arresting the world. With a foundation in the sciences, students are more able to cope with problems facing the world—both environmentally and psychologically.

HISTORY DEPARTMENT

Often students are puzzled as to why they study history. It can be summed up very simply—preventing today's mistakes from becoming tomorrow's catastrophies. All students are required to have one year of American History, for certainly its benefits are many. Helping students learn from their forefathers leads them towards the betterment of the world.

FOREIGN LANGUAGE DEPARTMENT

Three language courses, Spanish, Latin, and French, have been offered this year at T. H. S. Many feel that by learning a foreign language they may experience a way of life of foreign countries. In gaining this new insight, students learn that their ideals and standards are held by men and women throughout the world; language is a universal teaching. Through this study, students are provided with a foundation for education and upholding world peace.

GUIDANCE DEPARTMENT

Every student comes in contact with either scheduling problems, personal problems, or both. The Guidance Department is available to students by helping them with their high school years and problems arising from them. Learning about oneself is as important as any other part of the curriculum.

Mr. Whisman shows these students important woodworking skills.

ATHLETIC DEPARTMENT

Bill Bingham

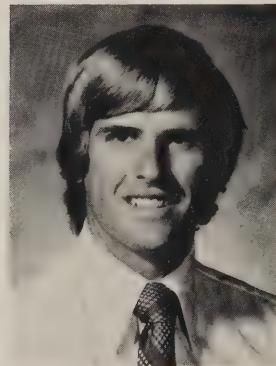

Our school has gained a lofty reputation for its consistent excellence in all sports. Hundreds of fans crowded the stadium in eager anticipation, waiting for the start of the game. This year the Vikings won seven of ten games and succeeded in avenging their defeat against Science Hill last year.

Ten players were named to the All Big Nine team this year. Even though the Vikings were outweighed by every team, speed and alertness, coupled with our superior coaching staff made the '74 season a success.

CLOSING

On the city's southern border
Reared against the sky
Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword.
Conquer and prevail.
Hail to thee, our Alma Mater
Tennessee, all hail.

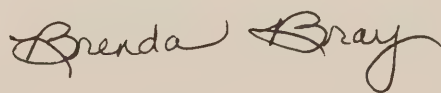

ACKNOWLEDGEMENTS

Once a year is over, it is left to the imagination of the students to recreate it. It is our hope that the Cadmea will stimulate these memories throughout each student's lifetime.

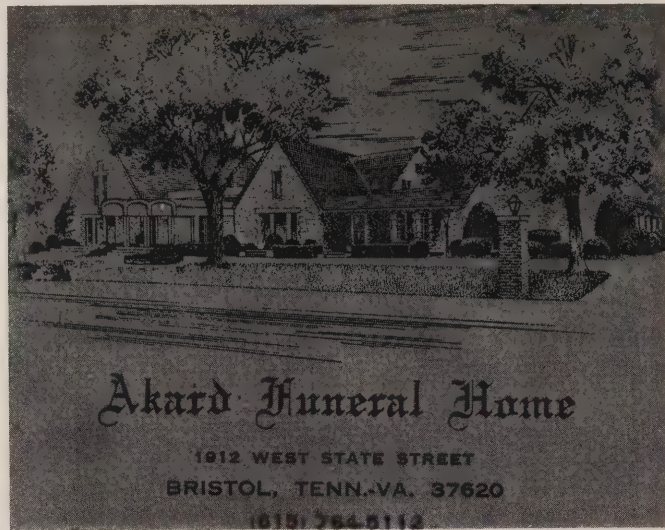

We would like to thank each member of our staff for their dedication. Our sincere thanks goes to our sponsor, Mr. Richard Burk.
